Schedule 1 (Hosted Services particulars)

1. Financial provisions

Unless agreed otherwise in a customer specific agreement signed by both parties, the following fees and rates will apply.

1.1. Buyer

Pricing and fees

As long as the Buyer's organisation processes in excess of US\$ 30 million per annum of awarded contracts through the iSpec system, no fees are payable. Should the Buyer process less than this amount, fees will be applicable at the rates in the table below.

Awarded tenders/contracts processed per calendar year in US\$	Payment terms	Fee payable in US\$ in advance for the next year
> 30,000,000	-	US\$ 0
> 6,000,000 but < 30,000,000	Calculated quarterly in arrears	Whichever is the higher of: US\$18,000 or 0.15% of awarded contracts
<= 6,000,000	Annually in advance	US\$ 18,000

Buyer acknowledges that Provider collects fees from the Suppliers as its main source of income at a percentage of awarded contracts per Supplier. As such, Buyer agrees explicitly that all tenders and contracts are to be managed and processed through iSpec. This does not include direct purchases where no tendering process is involved. Also no fees will be applicable for any tenders or contracts below US\$40,000 even if these are managed within iSpec.

Buyer also agrees that any tender or contract originally created in iSpec - whether or not awarded in iSpec, if awarded, will be included for the purpose of the fee calculation. Any repeat orders of contracts that were originally awarded in iSpec that are concluded between Supplier and Buyer or any contract amendments or variations that result in a net increase of more than 5% in the total contract value are also included for these purposes.

Buyer also agrees to deduct from its first payment to the Supplier, the fee payable by the Supplier (as specified in the next paragraph below) and to pay that directly to Remy on behalf of the Supplier.

1.2. Supplier/Vendor

Supplier can register as an iSpec or iNspec user for free. When the Supplier is awarded a contract, the Supplier becomes liable for an access fee based on the rates in the table below.

Awarded contract value in US\$/contract	% payable as fee to Provider
Up to 40,000	0
> 40,000 but =< 5 million	0.5
> 5 million but =< 25 million	0.45
> 25 million	0.4

This fee will become payable on awarding of the contract by the Buyer.

Supplier also agrees that Buyer will deduct said fee from the first payment due to Supplier and pay it to Remy on behalf of Supplier.

1.3. Taxes/withholding tax/bank charges

All prices are exclusive of any bank charges. Full amount as quoted must be received in Remy's account. Any bank charges are for the customer's account.

All prices quoted above are exclusive of any taxes. Any taxes and duties which are levied or charged by any revenue authority shall be for the account of User. In the event that User is obliged to deduct any withholding taxes from any fees or charges due by it to Remy, then:

the amount payable by User shall be grossed up by User such that after the deduction of such withholding and/or other taxes, Remy receives the full value of the fees, royalties or charges as specified in the relevant Agreement or this Agreement; and

User undertakes and warrants that it shall make due and timeous payment of such withholding taxes due by it to the appropriate revenue or other relevant government authority.
